We hope that you will enjoy your puppy for years to come. We have taken steps to ensure that your puppy is healthy by feeding a premium puppy food and vitamins.

We have been feeding your puppy NutriSource Dog Food. You can do a search at www.nutrisource.com to find a local retailer. You can also order it online. If you are unable to find this brand of food, we also recommend ProPlan small breed puppy food. My vet also recommends this brand.

We strongly recommend buyer to continue to give your puppy 1 NuVet Plus wafer each day which is a powerful antioxidant that gives a tremendous boost to the immune system to prevent skin and coat problems, and creates a defense against over fifty major diseases, including hip and elbow dysphasia, and extending the life span of your puppy. This can only be ordered by calling 1-800-474-7044, order code #66212 or on our website www.wisteriacavaliers.com by clicking on the NuVet Logo.

A sample and brochure on the NuVet Plus wafer is provided. For less than 30 cents a day, you can insure your puppy's health. If you reference the number we have provided so that we can track your use for 2 years, we will extend the warranty on the eyes, heart & hips and additional year.

"If buyer chooses not to continue with the NuVet Plus Wafer you may not be guaranteed."
